

Dear <<First Name>> ,

Your very first Christmas is the most special of all! Everyone has been waiting so long to share this time of year with you. I am looking forward to seeing you for the first time.

Of course you are only <<Age>> old and not sure who I am yet. So let me tell you a little about me. I travel around the world once a year on Christmas Eve. I bring lots of toys and goodies on my sleigh for all the good little boys and girls of the world.

As you get older you will want to make sure that you do certain things so that you can make it onto Santa's nice list. Here are some of the things I look for when I am checking my list. No pouting or fussing, make sure you keep your room clean and brush your teeth.

There is so much more that you will learn as you grow older. Well I am going to get back to getting things ready for my trip on Christmas Eve. The elves need help reaching stuff on the top shelf. Remember I am always watching over you.

Merry First Christmas

Love,

Santa Claus

PS - Rudolph wanted me to tell you he is excited to see you also.
